**Please read each of the following and check if applicable.**

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
  - (a) Trade secrets;
  - (b) Internal auditing controls and reports of internal auditors;
  - (c) Security measures, systems, or procedures;
  - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company to contract for services on favorable terms;
  - (e) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
  - (f) Tax returns or tax-related information;
  - (g) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
