Re: Ni Florida, LLC  
General Rate Increase Application for Pasco County System  
Our File No.: 43053.03

Dear Chairman Carter:

This letter pursuant to Rule 25-30.430, Florida Administrative Code, requests approval of a test year for Ni Florida, LLC (the "Company"). The Company intends to submit an application for general rate relief to the Florida Public Service Commission for its wastewater system located in Pasco County, Florida. The Company intends to submit the minimum filing requirements ("MFRs") on or before August 29, 2009.

The Company's last rate proceeding was a Staff Assisted Rate Case in Docket No. 900293-SU, which culminated in Order No. 23810, issued November 27, 1990. Rate base was established as of December 31, 2007 in PSC Order No. PSC-09-0017-PAA-SU, issued in Docket No. 070740-SU on January 5, 2009.

The Company requests an historic test year ending December 31, 2008. The requested test year is representative of a normal full year of operation.

In the most recent 18 months, the Company has made major changes to plant and equipment, specifically, collection system improvements to reduce infiltration and inflow.

The MFRs will include pro forma adjustments for increases in contract treatment costs, electricity, bad debts expense, as well as adjustments resulting the requested revenue increase

including taxes and regulatory assessment fees. The pro formas are non growth-related.

Pursuant to Section 367.081(8), Florida Statutes, the Company requests that the Commission process this petition for rate relief using the proposed agency action procedure. The Company also will request interim rates based on the historic test year.

Should you or members of the Staff have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,
