**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In Re: Energy Conservation                    )  
Cost Recovery Clause                            )

Docket No. 090002-EG  
Filed: April 15, 2009

**FLORIDA POWER & LIGHT COMPANY'S  
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION  
OF MATERIALS PROVIDED IN AUDIT NO. 07-071-4-3**

**NOW, BEFORE THE COMMISSION**, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to Rule 25-22.006 of the Florida Administrative Code and Section 366.093 of the Florida Statutes, hereby submits its First Request for Extension of Confidential Classification of certain material provided to the Florida Public Service Commission ("FPSC" or "Commission") staff ("Staff") in connection with the Energy Conservation Cost Recovery Clause Audit (Audit Control No. 07-071-4-3) (the "Audit"). In support of its Request, FPL states as follows:

1. FPL filed a Request for Confidential Classification of materials provided to Staff in connection with the Audit on August 1, 2007, along with Exhibits A through D (the "August 1, 2007 Request"). FPL adopts and incorporates herein by reference its August 1, 2007 Request and exhibits.

2. FPL's August 1, 2007 Request was granted by Order No. 07-0829-CFO-EG. The period for confidential treatment granted by that order will soon expire. All the information that was the subject of the August 1, 2007 Request warrants continued treatment as proprietary and confidential business information with the meaning of section 366.093(3), Florida Statutes. Accordingly, FPL is hereby filing its First Request for Extension of Confidential Classification.

3. The following exhibits are included with and made a part of this request:

a. Exhibit A, consisting of the confidential materials, and Exhibit B,

DOCUMENT NUMBER-DATE

FPSC-COMMISSION CLERK

consisting of the redacted versions of those materials, provided with the August 1, 2007 Request, are incorporated herein by reference.

b. Revised Exhibit C is attached hereto and contains a table with a line-by-line and page-by-page identification of the information for which continued confidential treatment is sought, and, with regard to each document or portions thereof, references to the specific statutory basis or bases for the claim of confidentiality and to the affidavits in support of the requested classification.

c. Revised Exhibit D is comprised of the affidavits of Terry Keith, Robert Onsgard, and Anita Sharma which support this Request.

4. FPL submits that the information identified in the Revised Exhibit C and highlighted in Exhibit A to the August 1, 2007 Request continues to be proprietary confidential business information within the meaning of section 366.093(3), Florida Statutes. Pursuant to section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is continues to be proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. Certain information FPL asserts is proprietary and confidential business information includes customer-specific account information. FPL has a corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than

the customer without the permission of the customer. Additionally, this information could be competitively sensitive insofar as FPL's customers are concerned. This information is protected pursuant to section 366.093(3)(e), Florida Statutes.

6. In addition, certain materials contain or constitute internal auditing controls and reports of internal auditors or information relating to same. This information is protected by section 366.093(3)(b), Florida Statutes.

7. Nothing has changed since the issuance of Order No. PSC-07-0829-CFO-EG to render the information stale or public, such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be proprietary confidential business information, the information should continue to be treated as such for an additional period of at least eighteen (18) months, and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4).

**WHEREFORE**, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included with or incorporated in this request, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,
