AFFIDAVIT OF WILLIAM F. BRANNEN

BEFORE ME, the undersigned authority, personally appeared William F. Brannen who, being first duly sworn deposes and says:

1. My name is William F. Brannen. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Construction in the Project Engineering and Due Diligence Business Unit. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information included in Exhibit A to FPL's Request for Confidential Classification. The information in Exhibit A which is asserted by FPL to be proprietary confidential business information relates to competitive interests, and the disclosure of the information could impair the competitive business of FPL's counter-party. To the best of my knowledge, FPL has maintained the confidentiality of the information in Exhibit A which is asserted by FPL to be proprietary confidential business information.

3. Consistent with the provisions of the Florida Administrative Code, such information should remain confidential for the period of eighteen (18) months. In addition, the document containing the proprietary confidential business information should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of that information.

4. Affiant says nothing further.
