Re: Notice of Adoption by Clective Florida, LLC of the Existing "Interconnection Agreement Between BellSouth Telecommunications, Inc. and Cbeyond Communications, LLC" dated October 29, 2008.

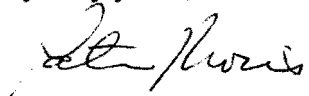

Dear Ms. Cole:

Clective Florida, LLC ("Clective") hereby provides notice to the Florida Public Service Commission that effective immediately Clective has adopted in its entirety, the "Interconnection Agreement Between BellSouth Telecommunications, Inc. and Cbeyond Communications, LLC" dated October 29, 2008 ("Cbeyond ICA"). The Cbeyond ICA has been filed and approved in Florida. Clective has exercised its right pursuant to the Federal Communications Commission approved Merger Commitment Nos. 1 and 2 under "Reducing Transaction Costs Associated with Interconnection Agreements" as ordered by ("Merger Commitments") in the BellSouth - AT&T merger, WC Docket No. 06-744, and 47 U.S.C. Sec. 252(i).

Since the same state-specific terms for Florida are applicable to Clective, there are no "state-specific pricing and performance plans and technical feasibility issues" pursuant to Merger Commitment No. 1. Likewise, since the Cbeyond ICA is already TRRO compliant and has an otherwise effective change of law provision, there is no issue preventing Clective from adopting the Cbeyond ICA in Florida, pursuant to Merger Commitment No. 2. The Cbeyond ICA is current and effective

Should you have any questions regarding Clective's adoption of the Cbeyond ICA, please do not hesitate to call.

Very truly yours,

Patricia Morris
Its President
