**Re: Docket No. 060658-EI - Petition on behalf of Citizens of the State of Florida to require Progress Energy Florida, Inc. to refund customers \$143 million.**

**Dear Mr. Burnett:**

A first request for extension of confidential classification dated April 28, 2009, was electronically filed with the Office of Commission Clerk on that date and assigned document number 03942-09. The original physically signed letter was subsequently received on April 30, 2009.

The Public Services Commission's Electronic Filing Requirements state that the party submitting a document for filing by electronic transmission acknowledges and agrees that the original physically signed document will be retained by that party for the duration of the proceeding and of any subsequent appeal or subsequent proceeding in that cause, and that the party shall produce it upon request of the other parties or the Commission.

Accordingly, the original physically signed letter has not been accepted for filing and is being returned as an enclosure to this letter. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Ann Cole".
