Re: Docket No. 090079-EI – Petition for Increase in Rates by Progress Energy Florida, Inc.

Dear Mr. Glenn:

On March 20, 2009, Progress Energy Florida, Inc. (PEF or Company) filed its Petition requesting authority to increase its rates and charges for electric service pursuant to Section 366, Florida Statutes (F.S.), and Rules 25-6.043 and 25-6.0435, Florida Administrative Code (F.A.C.).

In accordance with Rule 25-6.043, F.A.C., staff reviewed the Company's filing and determined that the Company had not met the minimum filing requirements imposed by this rule. PEF was notified of the identified deficiencies by letter dated April 10, 2009. In response, PEF submitted revised minimum filing requirement schedules on April 17, 2009. Staff has reviewed these revised schedules and has determined that the deficiencies have been corrected.

Pursuant to Section 366.06(3), F.S., therefore, April 17, 2009, is designated as the commencement date for the Commission's 12-month final agency action deadline.

If you should have any questions, please contact me.

Sincerely,

Handwritten signature of Tim Devlin in cursive.
