NOTICE OF PROPOSED AGENCY ACTION ORDER  
CANCELLING INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS TARIFF  
AND REGISTRATION ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

ProNet Communications, Incorporated currently holds Intrastate Interexchange Telecommunications (IXC) Registration No. TJ719. Pursuant to Section 364.336, Florida Statutes, telecommunications companies must pay a minimum annual Regulatory Assessment Fee (RAF) for each certificate or registration if the certificate or registration was active during any portion of the calendar year.

Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.474, Florida Administrative Code, provides that intrastate interexchange companies must pay any current and past due Regulatory Assessment Fees with its request for cancellation.

On February 9, 2009, this Commission received a letter dated February 6, 2009, from Ms. Coral Johnston, President, requesting cancellation of the company's tariff and removal of its

name from the IXC register. Ms. Johnston advised that the company was no longer doing business in Florida. Our staff e-mailed Ms. Johnston and advised that the 2008 and 2009 RAFs, along with accrued late payment charges, needed to be paid before a voluntary cancellation could be granted. The 2008 and 2009 RAFs, including accrued statutory late payment charges, remain unpaid.

For the reasons described above, we deny ProNet Communications, Incorporated's requests for voluntary cancellation of its IXC tariff and removal of its name from the register. However, we find it appropriate to involuntarily cancel the company's IXC tariff and remove its name from the register, effective February 9, 2009, on this Commission's own motion for failure to comply with Rule 25-24.474, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

The cancellation of an IXC tariff and removal of its name from the register in no way diminishes the company's obligation to pay the applicable Regulatory Assessment Fees, including any accrued statutory late payment charges. If this Order is not protested, the company's IXC tariff shall be cancelled and its registration removed from the register. If the company pays the Regulatory Assessment Fees, along with accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's IXC tariff and removal of its name from the register will be voluntary. If the company fails to protest the Order or pay the Regulatory Assessment Fees, along with accrued late payment charges, prior to the expiration of the Proposed Agency Action Order, then the company's IXC tariff shall be cancelled administratively and its name removed from the register, and the collection of the unpaid Regulatory Assessment Fees, including accrued statutory late payment charges, shall be referred to the Florida Department of Financial Services for further collection efforts. If the company's IXC tariff is cancelled and its name removed from the register in accordance with this Order, the company shall be required to immediately cease and desist providing telecommunications service in Florida. This docket shall be closed administratively either upon receipt of the payment of the Regulatory Assessment Fees, including accrued late payment charges, or upon cancellation of the company's IXC tariff and removal of its name from the register. If the company's IXC tariff is cancelled and its name removed from the register and subsequently decides to reregister as a telecommunications company, the company shall be required to first pay any unpaid Regulatory Assessment Fees, including any accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that pursuant to Rule 25-24.474, Florida Administrative Code, ProNet Communications, Incorporated's IXC tariff and Registration No. TJ719, is hereby cancelled and its name removed from the register effective February 9, 2009, on this Commission's own motion for failure to pay the applicable Regulatory Assessment Fees, including accrued statutory late payment charges, in full pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of the company's IXC tariff, including removal of its name from the register, in no way diminishes the company's obligation to pay the applicable Regulatory Assessment Fees, including any accrued statutory late payment charges. If the company's IXC tariff is cancelled and its name removed from the register and subsequently decides to reregister as a telecommunications company, the company shall be required to first pay any unpaid Regulatory Assessment Fees, including accrued statutory late payment charges. It is further

ORDERED that if ProNet Communications, Incorporated pays the Regulatory Assessment Fees, including any statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, the cancellation of its tariff and removal of its name from the register shall be deemed voluntary. It is further

ORDERED that if ProNet Communications, Incorporated does not pay the Regulatory Assessment Fees, including any statutory late payment charges, prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fees shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if ProNet Communications, Incorporated's IXC tariff is cancelled and its name removed from the register in accordance with this Order, the company shall immediately cease and desist providing telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed administratively either upon receipt of the Regulatory Assessment Fees, including accrued late payment charges, or upon cancellation of the company's IXC tariff and removal of its name from the register.

By ORDER of the Florida Public Service Commission this 1st day of May, 2009.
