BEFORE ME, the undersigned authority, personally appeared Rajiv S. Kundalkar who, being first duly sworn, deposes and says:

1. My name is Rajiv S. Kundalkar. I am currently employed by Florida Power & Light Company ("FPL") as Vice President, Nuclear Power Uprate. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in FPL's Request for Confidential Classification concerning information provided with the Petition for Approval of Nuclear Power Plant Cost Recovery Amount for the Period January - December 2010, for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed are proprietary confidential business information, containing information concerning bids or other contractual data related to specific vendors. Disclosure of this information would violate FPL's contract with its vendors and impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
