Good morning:

This morning (February 20, 2009), the Commission mailed out delinquent notices to those companies that either have not paid the 2008 Regulatory Assessment Fee (RAF) or have not paid the 2008 RAF in full. Our records show that the company has not paid the 2008 RAF. I wanted to give you a heads up because those certificate holders not complying with the delinquent notices will be automatically fined \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. A copy of the Regulatory Assessment Fee rule is attached.

If the company owes the minimum and if payment is postmarked between January 31 and March 1, the total due is \$742, which is comprised of the \$700 minimum RAF, \$35 penalty, and \$7 interest. If payment is postmarked between March 2 and March 31, the total due is \$784, which is comprised of the \$700 minimum RAF, \$70 penalty, and \$14 interest. A copy of the 2008 RAF return form is also attached. Please complete it and return it with full payment, including the late payment charges. Just as information, late payment charges (penalty and interest) continue to accrue until the RAF is paid.

If your records show that payment was made, let me know right away by providing me with the check number and the date payment was mailed so that I can research this further. Please let me know if you have any questions. Thanks.
