Jerry,  
I have a staff directive to return to source confidential document 06684-08. This document was generated by Coston/CMP. Should this document be shredded ? or returned to the company related to the work papers ? & specifically, which company ?  
thanks,  
Marguerite.

DN 06684-08 - CMP (sic)/Coston - (CONFIDENTIAL) Documents relating to staff's workpapers for review of fuel hedging practices of Florida's five investor-owned electric utilities [from DN 05532-08, which was a filing from Progress].
