REQUEST FOR CANCELLATION OF REGISTRATION

Pursuant to Section 25-24.474 of the Florida Administrative Code, Comcast Business Communications, LLC (“CBC”) hereby files this request for cancellation of registration. CBC is discontinuing the provision of all services listed in its Florida P.S.C. Tariff Number 1 (collectively, “Discontinued Services”), which it requests permission to withdraw. CBC plans to discontinue the Discontinued Services throughout Florida on July 1, 2009. CBC also requests that the Commission cancel CBC’s registration (Number TI203) to provide interexchange telecommunications services.¹ CBC has 25 customers in Florida that will be affected by the discontinuance. CBC has sent notice of the discontinuance to all affected customers, a copy of which is attached hereto as Exhibit 1. *Other Comcast entities are not affected by this discontinuance, as CBC is the only Comcast entity discontinuing any service.*

In support of its request, CBC states the following:

Current and Any Past Due Regulatory Assessment Fees

CBC states that it does not owe any current or past due Regulatory Assessment Fees.

¹ The Commission originally granted Comcast’s certificate of authority to GlobalCom Telecommunications, Inc. (“GlobalCom”) pursuant to Order PSC-94-0418-FOF-TI.

Treatment of Customer Deposits and Final Bills

CBC does not hold any customer deposits, and will work with its customers to resolve final bills and facilitate transition to an alternate carrier of their choice prior to the discontinuance.

WHEREFORE, Comcast Business Communications, LLC requests approval to discontinue the provision of resold interexchange telecommunications service in the state and, accordingly, cancel its registration with the Commission.

An extra copy of this application is enclosed. Please date-stamp and return in the self-addressed envelope included with this filing. If you have any questions regarding this notice, please do not hesitate to contact me.

FCC Notice

The discontinuance of your long distance service is subject to regulatory approval by the Federal Communication Commission ("FCC"). The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Comcast Business Communications, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Comcast Business Communications regrets any inconvenience these changes may cause you.

Very truly yours,
