Re: Staff Assisted Rate Case for Camachee Cove Yacht Harbor Utility in St. Johns County, Docket No. 090230-WU

Dear Mr. McKenna:

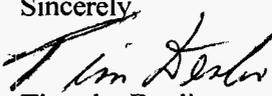

We have determined eligibility for staff assistance filed by Camachee Cove Yacht Harbor Utility. We find that the Utility is eligible for the staff assisted rate case filing.

Section 367.091(2), Florida Statutes, provides:

Upon filing an application for new rates, the Utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervener status to any governing body that files a petition.

Please forward a copy of Camachee Cove Yacht Harbor Utility's application for a SARC to the Chief Executive Officer of St. Johns County as required by law, and copy the Commission as proof that an application was forwarded to them.

Members of Commission staff will contact you to schedule a convenient time for examination of the Utility's books and records and physical plant. If you have any questions regarding the rate proceeding, please call Jared Deason at (850) 413- 6844.

Sincerely,

Timothy Devlin
