Subject: Request for Oral Modification to Item 6, May 19, 2009 Agenda, Docket No. 080712-SU - Indiantown Company, Inc.

Staff respectfully requests approval to make an oral modification to the recommendation paragraph of Issue 1 for the above-referenced item. The requested modifications have no other effects on staff's recommendation. On Page 2, the specific modifications are in type and strike format as follows:

Issue 1: Should Indiantown's proposed tariff sheets to establish a reuse water rate be approved as filed?

Recommendation: Yes. Indiantown's proposed tariff sheets to establish a reuse water rate should be approved as filed. Indiantown should file a proposed notice to reflect the Commission's decision for staff's approval. The approved tariffs should be effective for services rendered on or after the stamped approval date provided the Utility has issued notices to all persons who have filed a written request for reuse water service or who have been provided a written estimate for reuse water service within the 12 calendar months prior to the month Indiantown filed its petition. This additional language should also be added as the last paragraph in staff's analysis section.
