Re: Docket No. 090189-SU - Application for original certificate for a proposed wastewater system and request for bifurcation in Franklin County by Water Management Services, Inc.

Dear Ms. O'Malley:

Thank you for your letter in which you voiced your objection to the proposed centralized wastewater system on St. George Island in the above-referenced docket. Please be advised that the Commission's consideration of this matter is limited to the appropriateness of the issuance of an original certificate to serve the commercial district of St. George Island only. That being said, you have several options with regard to your level of participation in this matter.

Before acting on your letter, the Commission must know your intent regarding your objection to the above-referenced certificate issuance in this docket. If you choose to pursue this protest, an administrative hearing will be scheduled. You will have certain rights and responsibilities to put on your case, including filing written testimony, participating in motion practice and formal discovery, filing a prehearing statement, attending a prehearing to be held in Tallahassee, Florida, putting on witnesses and cross-examining utility and other witnesses at the hearing, and filing a post-hearing brief. All of these activities will have due dates that will be required to be met by all parties to this proceeding. Although utility customers may represent themselves at formal hearings before the Florida Public Service Commission, it may be preferable to hire counsel or a qualified representative to represent you.

If you do not wish to pursue a formal hearing, your letter will be placed in the correspondence side of the docket file in this case, where your concerns will remain available for review and informational purposes. Additionally, upon your request, we can send you a copy of staff recommendation, and you may address the Commissioners at the Agenda Conference.

If you wish to initiate a hearing in the above-referenced docket, please submit a petition initiating formal proceedings in accordance with the requirements of Rule 28-106.201, Florida Administrative Code, by **Monday, June 1, 2009**. Your petition should be made in writing and should be addressed to the Florida Public Service Commission, Director, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850. If we do not hear from you by Monday, June 1, 2009, we will assume that you do not wish to pursue a formal hearing and your letter will be placed in the correspondence side of the docket file in the above-referenced matter.
