FROM: Melinda H. Watts, Engineering Specialist III, Division of Regulatory Compliance; Charles W. Murphy, Senior Attorney, Office of the General Counsel
RE: Docket No. 090076-TI - Petition for waiver of carrier selection requirements of Rule 25-4.118, F.A.C., to allow Startec Global Operating Company to transfer long distance customer accounts to Americatel Corporation; and request for cancellation of IXC Registration No. TK051, effective on consummation of transaction.

Startec Global Operating Company (Startec) has requested cancellation of its IXC tariff and Registration No. TK051 effective on consummation of its merger with Americatel Corporation. On May 4, 2009, Startec notified the Commission that the transaction was complete. The company has complied with the provision of Rule 25-24.474(2), Florida Administrative Code, by providing adequate notice in writing of its request for cancellation. In addition, Startec paid the 2009 Regulatory Assessment Fee as required in Section 364.336, Florida Statutes. If Startec commences operations in Florida as an intrastate interexchange carrier in the future, a new registration must be filed.

Pursuant to Section 2.07.C.5.i., Administrative Procedures Manual, Startec, holder of IXC Registration No. TK051, can be voluntarily removed from the IXC Registration list effective May 4, 2009.

All other actions in this docket have been completed. Accordingly, with this Memorandum, this docket should be closed.
