Docket No. 090009-EI  
Filed: May 21, 2009

**FLORIDA POWER & LIGHT COMPANY'S  
MOTION FOR TEMPORARY PROTECTIVE ORDER**

Pursuant to section 366.093(3), Florida Statutes, and Rule 25-22.006(6)(c), Florida Administrative Code, Florida Power & Light Company ("FPL"), hereby moves the Florida Public Service Commission (the "Commission"), through the Prehearing Officer, for a temporary protective order to exempt from section 119.07(1), Florida Statutes, certain confidential information included in FPL's testimony and exhibits filed in this docket on May 1, 2009, and in support states:

1.     OPC has requested that it be permitted to take possession of FPL's confidential, proprietary information included in the testimony of FPL witness Reed and in Exhibits JJR-1, RSK-1, and SDS-1.

2.     Subsection (6)(c) of Rule 25-22.006, Florida Administrative Code, provides in relevant part as follows with respect to a utility allowing OPC to take possession of utility information:

[T]he utility may request a temporary protective order exempting the information from Section 119.07(1), Florida Statutes. If the information is to be used in a proceeding before the Commission, then the utility must file a specific request for a protective order under paragraph (a) above. If the information is not to be used in a proceeding before the Commission, then Public Counsel shall return the information to the utility in accordance with the record retention requirements of the Department of State.

3.     The confidential information includes, but is not limited to, information concerning internal auditing controls and reports of internal auditors. Such information is

exempt for the Public Records Act pursuant to section 366.093(3)(b). The confidential information also includes data related to bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms. This information is exempt from the Public Records Act pursuant to section 366.093(3)(d), Florida Statutes.

4. FPL respectfully requests that the Commission enter a temporary protective order affording FPL the protection that is needed to provide OPC the confidential information included in these responses.

5. FPL has been authorized by counsel for OPC to represent that OPC does not object to the granting of this motion.

WHEREFORE, for the foregoing reasons, FPL respectfully requests that the Commission enter a temporary protective order protecting against public disclosure the confidential information contained in the May 1, 2009 testimony of FPL witness Reed and in Exhibits JJR-1, RSK-1, and SDS-1.

Respectfully submitted this 21st day of May, 2009.
