1. My name is Damaris Rodriguez. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Cost Recovery. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents and information for which I am listed as Affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Materials Provided Pursuant to Audit No. 05-028-4-1. The documents or materials that I have reviewed and which are asserted by FPL to include customer-specific account information. It is FPL's corporate policy not to disclose-customer specific information. This policy includes, but not limited to, customer names, addresses, telephone numbers, accounts numbers, rates, billing determinants, (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred since the issuance of Order No. 07-0946-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of not less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.
