Subject: Bankruptcy - UniPlex Telecom Technologies, Incorporated (TJ456)

Good morning, Nonnye:

I am researching those companies that are marked as being in bankruptcy and found one that needs the bankruptcy mark removed. According to my research in PACER, the company filed for Chapter 11 bankruptcy in the Southern District of Florida, Miami Division on January 16, 2002, and emerged from bankruptcy on October 30, 2003. Therefore, the company is no longer in bankruptcy proceedings. Please remove. Thanks.
