Ms. Holt,

For clarification, would you like this information changed in the mailing list for active Docket No. 080712-SU, or would you like this information change the company's contact information for the current active docket and for all future dockets that may be opened? If you are changing the company's contact information, I will forward this to the appropriate person to take of your request. If you are only requesting the change to active Docket 080712, I can take care of that for you by making the appropriate change on the mailing list in CMS. Thank you for your help.
