I would include it in both, to be on the safe side. I would also include it in Docket No. 090144-EI (that's the docket that addresses Bartow). Hope this helps!

Katherine,

It looks like this document (DN 05755-09) included the wrong docket number when it was filed with our office. The content of the letter wasn't caught before it was scanned in. Can you please advise if this letter should be placed in Docket 090079 (Progress rate increase) or 090009 (Nuclear cost recovery clause). I only ask for clarification since the letter does mention a "new nuclear facility" in the future. Thank you for your help!

Dorothy

I think this customer complaint has been filed in the wrong docket. Should it go to someone in electric?
