**Re: Application of Public Wireless, Inc. for Authority to Provide Competitive Local
Exchange Telecommunications Service within the State of Florida**

Dear Ms. Cole:

Enclosed please find one (1) original and two (2) copies of the Application of Public Wireless, Inc. ("Public Wireless") for Authority to Provide Competitive Local Exchange Telecommunications Services within the State of Florida. Please also find enclosed check number 93728, payable to the order of the Florida Public Service Commission in the amount of \$400.00 to cover the filing fees for this Application.

Pursuant to Fla. Stat. § 364.183, Public Wireless respectfully requests *confidential treatment* of the financial statements contained in **Exhibit D** of its Application. Exhibit D contains commercially-sensitive financial information that Public Wireless considers proprietary confidential business information. Public disclosure of the documents in Exhibit D would result in direct, immediate and substantial harm to Public Wireless' competitive position in Florida and in other states where Public Wireless is currently doing business. Public Wireless takes considerable efforts to maintain the secrecy of the information contained in its financial statements. Financial information of this type is not publicly disseminated, and Public Wireless takes reasonable steps to guard this information internally as well. Its disclosure is limited to Public Wireless' senior officers, its counsel, and employees of the company who are directly involved with Public Wireless' financial operations.

According to the procedures established in Fla. Admin. Code § 25-22.006(5), Public Wireless has enclosed one highlighted copy of the confidential financial statements along with two edited copies that are available for public inspection.
