**THE FLORIDA INDUSTRIAL POWER USERS GROUP'S
PETITION TO INTERVENE**

Pursuant to sections 120.569, .57, Florida Statutes, and rules 25-22.039, 28-106.201 and 28-106.205, Florida Administrative Code, the Florida Industrial Power Users Group (FIPUG), through its undersigned counsel, files its Petition to Intervene. In support thereof, FIPUG states

1. Name and address of agency. The affected agency is the Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850.

2. Name and address of Petitioner. The name and address of the Petitioner is:

Florida Industrial Power Users Group
c/o Keefe Anchors Gordon & Moyle, PA
118 North Gadsden Street
Tallahassee, Florida 32301
Telephone; (850) 681-3828
Facsimile: (850) 681-8788

3. Petitioner's representatives. Copies of all pleadings, notices, and orders in this docket should be provided to:

Jon C. Moyle, Jr.
Vicki Gordon Kaufman
Keefe Anchors Gordon & Moyle, PA
118 North Gadsden Street
Tallahassee, Florida 32301
Telephone; (850) 681-3828
Facsimile: (850) 681-8788
vkaufman@kagmlaw.com
jmoyle@kagmlaw.com

John W. McWhirter, Jr.
P.O. Box 3350
Tampa, Florida 33601-3350
Telephone: (813) 505-8055
Facsimile: (813) 221-1854
jmcwhirter@mac-law.com

4. Notice of docket. Petitioner received notice of this docket by a review of the Commission's website.

5. Statement of Substantial Interests. FIPUG is an ad hoc association consisting of industrial users of electricity in Florida. The cost of electricity constitutes a significant portion of FIPUG companies' overall costs of production. FIPUG members require adequate, reasonably-priced electricity in order to compete in their respective markets.

6. In this case, the Commission will set numeric goals for the major investor-owned utilities for conservation and energy efficiency measures. The costs of such

programs will be recovered through the Conservation Cost Recovery Clause (CCRC), which FIPUG companies pay. FIPUG companies will be directly affected by the Commission's decisions in this docket due to the impact on electric rates. Thus, FIPUG's companies' substantial interests will be affected in this docket.

7. FIPUG's interests are of the type that this proceeding is designed to protect. *See, Agrico Chemical Company v. Department of Environmental Regulation*, 406 So.2d 478 (Fla. 2nd DCA 1981). The purpose of the proceeding is to determine appropriate conservation goals and programs. Thus, the purpose of the proceeding coincides with FIPUG companies' substantial interests, which is to ensure that the rates they pay are just and reasonable.

8. Disputed Issues of Material Fact. Disputed issues of material fact include, but are not limited to, the following:

- a. What conservation goals should be set for each utility?
- b. What conservation programs should be approved?
- c. What test should be used to determine the cost-effectiveness of conservation programs?

9. Statement of Ultimate Facts Alleged. Ultimate facts include, but are not limited to, the following:

- a. Only cost-effective conservation programs should be approved.

10. Rules and statutes justifying relief. The rules and statutes that entitle FIPUG to intervene and participate in this case include, but are not limited to:

- a. Section 120.569, Florida Statutes;
- b. Section 120.57, Florida Statutes;
- c. Sections 366.80-.85(1), Florida Statutes;
- d. Rule 25-22.039, Florida Administrative Code;

e. Rule 28-106.201, Florida Administrative Code.

11. Relief. FIPUG requests that it be permitted to intervene as a full party in this docket.

WHEREFORE, FIPUG requests that the Commission enter an order allowing it to intervene and participate as a full party in this docket.
