Good morning, Shannon. Per our conversation earlier this morning, I spoke with Mary Macko regarding Dockets 090170, 090244, and 090414. She confirmed what I had mentioned was probably discrepancies in the programming due to the recent reorg. The reason Beth, Laura, Brenda, Ray, and Patti are included on your automatic e-mail notifications is that in the General tab in CMS, RAD is listed as an OCR, while APA is listed as OCR in the Staff tab. We are fixing these issues as they are brought to our attention. I just need to confirm that you would like RAD to be removed and APA to be added in the General tab. According to the staff assignments in the 3 dockets mentioned above, APA is the OCR on all of them and RAD has no staff listed at all. Thank you for your help!
