DOCKET NO. 090001-EI
ORDER NO. PSC-09-0435-CFO-EI
ISSUED: June 19, 2009

ORDER GRANTING GULF POWER COMPANY'S
REQUESTS FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 02078-08 (X-REF. DOCUMENT NO. 01549-08) AND
DOCUMENT NO. 02076-08 (X-REF. DOCUMENT NO. 01547-08))

On March 20, 2008, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Gulf Power Company (GULF) filed requests for confidential classification of certain information contained in GULF's responses to Staff's First Request for Production of Documents Nos. 2 and 4 (Document No. 02078-08 (x-ref. Document No. 01549-08)) and Staff's First Set of Interrogatories Nos. 1, 2, 5 and 6 (Document No. 02076-08 (x-ref. Document No. 01547-08)). This request was filed in Docket No. 080001-EI.

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraphs (d) and (e) of Section 366.093(3), F.S., provide that proprietary confidential business information includes, but is not limited to "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

GULF contends that portions of information contained in its responses to Staff's First Request for Production of Documents Nos. 2 and 4 and Staff's First Set of Interrogatories Nos. 1, 2, 5 and 6, as more specifically described in the table in Attachment A, fall within these categories and, thus, constitute proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. GULF states that this information is intended to be and is treated by GULF as private and has not been publicly disclosed.

Document Nos. 02078-08 and 02076-08

GULF claims that certain information contained in its responses to Staff's First Request for Production of Documents Nos. 2 and 4 and Staff's First Set of Interrogatories Nos. 1, 2, 5 and 6 consists of pricing terms for coal and natural gas offered to and/or purchased by Mississippi

Power and GULF, as co-owners of coal units at Mississippi Power's Plant Daniel, in connection with Request for Proposals Mississippi Power and GULF issued in 2007. GULF contends that this information is proprietary confidential business information regarding contractual matters, the disclosure of which would cause irreparable harm to GULF, its customers, and the entities with whom it has entered into contracts. Specifically, GULF insists that disclosure of this information would result in potential counterparties refusing to enter into contracts with GULF or charging higher prices, thus having a negative impact on GULF's ability to negotiate pricing favorable to its customers in the future.

Ruling

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, the information identified in Document Nos. 02078-08 and 02076-08 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless GULF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Katrina J. McMurrian, as Prehearing Officer, that Gulf Power Company's Requests for Confidential Classification of Document Nos. 02078-08 and 02076-08 are granted. It is further

ORDERED that the information in Document Nos. 02078-08 and 02076-08 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.
