Before the Florida Public Service Commission
Amended Notice of Commission Hearing and Prehearing
Docket No. 090172-El: Petition for Determination of Need for
Florida EnergySecure Line by Florida Power & Light Company
Issued: June 8, 2009

NOTICE IS HEREBY GIVEN that a hearing will be held before the Florida Public Service Commission in the above docket regarding the petition of Florida Power & Light Company (FPL) for a determination of need for an intrastate natural gas transmission pipeline; at the following time and place: Monday - Tuesday, July 27 - 28, 2009, 9:30 a.m., Room 148, Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, FL 32311.

PURPOSE AND PROCEDURE:

The purpose of this hearing will be for the Commission to take final action to determine the need, pursuant to Section 403.9422, Florida Statutes, for FPL's proposed natural gas transmission pipeline, the Florida EnergySecure Line, to be located in the following Florida counties: Bradford, Clay, Putnam, Flagler, Volusia, Seminole, Orange, Brevard, Osceola, Indian River, Okeechobee, St. Lucie, Martin and Palm Beach. This proceeding shall: (1) allow FPL to present evidence and testimony in support of its petition for a determination of need for its intrastate natural gas transmission pipeline; (2) permit any intervenors to present testimony and exhibits concerning this matter; (3) permit members of the public who are not parties to the need determination proceeding the opportunity to present testimony concerning this matter; and (4) allow for such other purposes as the Commission may deem appropriate.

The proceedings will be governed by the provisions of Section 403.9422, Florida Statutes, and Chapters 25-22 and 28-106, Florida Administrative Code. Under Section 403.9422, Florida Statutes, the Commission is the sole forum for the determination of need for the proposed pipeline. In making its determination, the Commission must take into account the need for natural gas delivery, reliability, safety, and integrity; the need for abundant, clean-burning natural gas to assure the economic well-being of the public; the appropriate commencement and terminus of the line; and other matters within its jurisdiction deemed relevant to the determination of need. The determination of need by the Commission is binding on all parties to any certification proceeding pursuant to Sections 403.8401-403.9425, Florida Statutes, and is a condition precedent to the conduct of the certification hearing prescribed therein. An order entered by the Commission pursuant to this hearing shall constitute final agency action.

Orly issues relating to the need for the proposed intrastate natural gas transmission pipeline will be heard at this hearing. Separate public hearings will be held before the Division of Administrative Hearings and the Natural Gas Transmission Pipeline Siting Board at a later date to consider environmental and other impacts of the proposed pipeline and associated facilities.

Members of the public who are not parties to the need determination proceeding will have an opportunity to present testimony regarding the need for the proposed pipeline. All members of the public who wish to offer testimony should be present at the beginning of the hearing, 9:30 a.m., Monday, July 27, 2009. All witnesses will be sworn in and will be subject to cross-examination at the conclusion of their testimony.

By providing public testimony, a person does not become a party to the proceeding. Anyone wishing to become a party to this need determination proceeding should file an appropriate petition pursuant to Rule 25-22.039, Florida Administrative Code, with the Office of the Commission Clerk at the address listed below. Copies of the petition should be sent by mail to all parties. Those wishing to intervene in this proceeding, unless appearing on their own behalf, must be represented by an attorney or other person who can be determined to be a qualified representative pursuant to Chapter 120, Florida Statutes, and Rule 28-106, Florida Administrative Code. Petitions for leave to intervene must be filed at least five (5) days before the final hearing, must conform with Rule 28-106.201(2), Florida Administrative Code, and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the hearing.

Written comments regarding the need for the proposed pipeline and associated facilities may be sent to the Commission at the following address: Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32309-0850, Re: Docket No. 090172-El.

GENERAL LOCATION AND PROJECT DESCRIPTION:

FPL's proposed Florida EnergySecure Line is an intrastate natural gas pipeline with an initial capacity of 600 million cubic feet of natural gas per day (MMcf/d). The pipeline may be located in the following Florida counties: Bradford, Clay, Putnam, Flagler, Volusia, Seminole, Orange, Brevard, Osceola, Indian River, Okeechobee, St. Lucie, Martin and Palm Beach. The proposed in-service date for the Florida EnergySecure Line is 2014.

PREHEARING CONFERENCE:

A prehearing conference will be held at the following time and place: Monday, July 6, 2009, 9:30 a.m., Room 148, Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, FL 32311.

The purpose of this prehearing conference is: (1) define and limit, if possible, the number of issues, (2) to determine parties' positions on the issues, (3) to determine what facts, if any, may be stipulated, (4) to dispose of any motions or other matters that may be pending, and (5) to consider any other matters that may aid in the disposition of this case.

JURISDICTION:

This Commission is vested with jurisdiction over the subject matter of this proceeding by Section 403.9422, Florida Statutes. Any person requiring some accommodation at this hearing because of a physical impairment should call the Division of the Commission Clerk and Administrative Services at (850) 413-6770, at least 48 hours prior to the hearing. Any person who is hearing or speech impaired should contact the Florida Public Service Commission by using the Florida Relay Service, which can be reached at 1-800-955-8771.

A copy of FPL's petition for a determination of need and supporting exhibits are available for public inspection during normal business hours at the following location:

Amended Notice of Commission Hearing and Prehearing

Docket No. 090172-El: Petition for Determination of Need for

Florida EnergySecure Line by Florida Power & Light Company

Issued: June 8, 2009

NOTICE IS HEREBY GIVEN that a hearing will be held before the Florida Public Service Commission in the above docket regarding the petition of Florida Power & Light Company (FPL) for a determination of need for an intrastate natural gas transmission pipeline, at the following time and place: **Monday – Tuesday, July 27 – 28, 2009, 9:30 a.m., Room 148, Betty Easley Conference Center, 4075 Esplanade Way, Tallahassee, FL 32311.**

PURPOSE AND PROCEDURE:

The purpose of this hearing will be for the Commission to take final action to determine the need, pursuant to Section 403.9422, Florida Statutes, for FPL's proposed natural gas transmission pipeline, the Florida EnergySecure Line, to be located in the following Florida counties: Bradford, Clay, Putnam, Flagler, Volusia, Seminole, Orange, Brevard, Osceola, Indian River, Okeechobee, St. Lucie, Martin and Palm Beach. This proceeding shall: (1) allow FPL to present evidence and testimony in support of its petition for a determination of need for its intrastate natural gas transmission pipeline; (2) permit any intervenors to present testimony and exhibits concerning this matter; (3) permit members of the public who are not parties to the need determination proceeding the opportunity to present testimony concerning this matter; and (4) allow for such other purposes as the Commission may deem appropriate.

The proceedings will be governed by the provisions of Section 403.9422, Florida Statutes, and Chapters 25-22 and 28-106, Florida Administrative Code. Under Section 403.9422, Florida Statutes, the Commission is the sole forum for the determination of need for the proposed pipeline. In making its determination, the Commission must take into account the need for natural gas delivery, reliability, safety, and integrity; the need for abundant, clean-burning natural gas to assure the economic well-being of the public; the appropriate commencement and terminus of the line; and other matters within its jurisdiction deemed relevant to the determination of need. The determination of need by the Commission is binding on all parties to any certification proceeding pursuant to Sections 403.9401-403.9425, Florida Statutes, and is a condition precedent to the conduct of the certification hearing prescribed therein. An order entered by the Commission pursuant to this hearing shall constitute final agency action.

Only issues relating to the need for the proposed intrastate natural gas transmission pipeline will be heard at this hearing. Separate public hearings will be held before the Division of Administrative Hearings and the Natural Gas Transmission Pipeline Siting Board at a later date to consider environmental and other impacts of the proposed pipeline and associated facilities.

Members of the public who are not parties to the need determination proceeding will have an opportunity to present testimony regarding the need for the proposed pipeline. All members of the public who wish to offer testimony should be present at the beginning of the hearing, 9:30 a.m., Monday, July 27, 2009. All witnesses will be sworn in and will be subject to cross-examination at the conclusion of their testimony.

By providing public testimony, a person does not become a party to the proceeding. Anyone wishing to become a party to this need determination proceeding should file an appropriate petition pursuant to Rule 25-22.039, Florida Administrative Code, with the Office of the Commission Clerk at the address listed below. Copies of the petition should be sent by mail to all parties. Those wishing to intervene in this proceeding, unless appearing on their own behalf, must be represented by an attorney or other person who can be determined to be a qualified representative pursuant to Chapter 120, Florida Statutes, and Rule 28-106, Florida Administrative Code. Petitions for leave to intervene must be filed at least five (5) days before the final hearing, must conform with Rule 28-106.201(2), Florida Administrative Code, and must include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to Commission rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the hearing.

Written comments regarding the need for the proposed pipeline and associated facilities may be sent to the Commission at the following address: **Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, Re: Docket No. 090172-El.**
