**Importance:** High

Hi Stephanie,

I was just looking over the parties for the above-mentioned docket. I am making some changes to our contact information in CMS to match what we have in MCD. However, I notice that on the original letter there are 2 different addresses listed. One is for West Lakeland, and the other is for Sam Averett (Shown as "B" in the picture of DN 02774-09 below). Should Mr. Averett also be included as a party of record in this docket? Thank you for your help!
