THE FEDERAL EXECUTIVE AGENCIES PETITION TO INTERVENE

Pursuant to Chapter 120, Florida Statutes, and Rules 25-22.039 and 28-106.205, Florida Administrative Code, the Federal Executive Agencies (FEA) hereby submit this Petition to Intervene in the aforementioned Docket.

The FEA consist of certain agencies of the United States Government which have offices, facilities, and/or installations in the service area of the utility which has filed for recovery of costs in this docket, and which offices, facilities, and/or installations purchase electric utility service from the utility which has filed for recovery of costs in this docket. The Department of Defense has been delegated authority by the General Services Administration to represent, through Department of the Air Force counsel, the consumer interest of the FEA in this proceeding under 40 U.S.C.A. 481(a)(4) and 486(d).

Chief among these Federal customers in this case, in terms of customer load, are Patrick AFB, Cape Canaveral AFS, and Kennedy Space Center served by Florida Power & Light (FP&L). Electricity costs represent one of the largest variable expenses of operating the Federal offices, facilities, and installations on whose behalf intervention is sought herein, and all will be significantly affected by any action this Commission takes in this Docket. For these reasons set forth, we submit the FEA have a substantial interest in the proceedings in this Docket.

The counsel filing this petition is a duly authorized representative of the FEA in FP&L's service area. The name, address, telephone number, and other relevant information pertaining to Petitioners' counsel of record for purposes of service and correspondence during the course of this proceeding is:

Respectfully submitted this 23rd day of June, 2009.
