**FLORIDA POWER & LIGHT COMPANY'S
REVISED MOTION FOR TEMPORARY PROTECTIVE ORDER**

Pursuant to section 366.093(3), Florida Statutes, and Rule 25-22.006(6)(c), Florida Administrative Code, Florida Power & Light Company ("FPL"), hereby moves the Florida Public Service Commission (the "Commission"), through the Prehearing Officer, for a temporary protective order to exempt from section 119.07(1), Florida Statutes, certain confidential information included in FPL's responses to the Office of Public Counsel's ("OPC's") Ninth Request for Production of Documents Nos. 231-234, 244, 246; the Attorney General's Second Set of Interrogatories Nos. 38, 41-42, 48-49, 63-65, 68; SCU-4's First Set of Interrogatories Nos. 7, 12, 16; Staff's First Request for Production of Documents No. 3; and Staff's Third Set of Interrogatories No. 16, and in support states:

1. FPL's Motion for Temporary Protective Order filed earlier on this date included certain typos in the identification of the confidential responses. This Revised Motion for Temporary Protective Order correctly identifies the confidential responses that are the subject of this motion. This Revised Motion for Temporary Protective Order is intended to replace and supersede the Motion for Temporary Protective Order filed earlier on this date.

2. OPC has requested that it be permitted to take possession of FPL's confidential, proprietary information included in FPL's responses to the discovery requests identified above.

Subsection (6)(c) of Rule 25-22.006, Florida Administrative Code, provides in relevant part as follows with respect to a utility allowing OPC to take possession of utility information:

[T]he utility may request a temporary protective order exempting the information from Section 119.07(1), Florida Statutes. If the information is to be used in a proceeding before the Commission, then the utility must file a specific request for a protective order under paragraph (a) above. If the information is not to be used in a proceeding before the Commission, then Public Counsel shall return the information to the utility in accordance with the record retention requirements of the Department of State.

3. The confidential information includes, but is not limited to the following: (i) internal audit controls or reports of internal auditors (exempt from the Public Records Act pursuant to section 366.093(3)(b), Florida Statutes); (ii) information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods or services on favorable terms (exempt from the Public Records Act pursuant to section 366.093(3)(d), Florida Statutes); (iii) information related to competitive interests, the disclosure of which could harm the competitive business of the provider of the information (exempt from the Public Records Act pursuant to section 366.093(3)(e), Florida Statutes); and (iv) employee personnel information unrelated to compensation, duties, qualifications or responsibilities (exempt from the Public Records Act pursuant to section 366.093(3)(f), Florida Statutes).

4. FPL respectfully requests that the Commission enter a temporary protective order affording FPL the protection that is needed to provide OPC this confidential information.

5. FPL has been authorized by counsel for OPC to represent that OPC does not object to the granting of this motion.

WHEREFORE, for the foregoing reasons, FPL respectfully requests that the Commission enter a temporary protective order protecting against public disclosure the confidential information contained in FPL's responses to OPC's Ninth Request for Production of Documents

Nos. 231-234, 244, 246; the Attorney General's Second Set of Interrogatories Nos. 38, 41-42, 48-49, 63-65, 68; SCU-4's First Set of Interrogatories Nos. 7, 12, 16; Staff's First Request for Production of Documents No. 3; and Staff's Third Set of Interrogatories No. 16.

Respectfully submitted this 26th day of June, 2009.
