I'm going to write on the CASR to remove "with modifications" before I bring it down this morning. The title can be changed on this e-mail if that's more convenient.

Good Morning Jeff,

Would you please clarify for me as to whether you would like us to make the change to the docket title "now," or wait until we receive AT&T Florida's new transmittal letter.

Thanks,
Cathi

Jeff:
Sorry:

It is a pure adoption. In such a rush I used the wrong letter. Do I need to do a new transmittal

Robyn,

According to the transmittal letter for this filing, this is an adoption, with modifications. Upon closer review, this filing appears to be a pure 47 U.S.C. Section 252(i) adoption because the ICA does not appear to have modifications or amendments. Can you please verify there are no modifications of the underlying ICA?
