Re: Docket No. 090093-WS, In Re: Application for approval of transfer of Keith & Clara Starkey d/b/a Heather Hills Estates' water and wastewater utility, holder of Certificates 577-W and 498-S, to Heather Hills Estates Utilities, LLC, in Manatee County.

Dear Ms. Gunn,

Thank you for your letter received May 18, 2009, which was a follow up to your letter received on April 6, 2009. In both letters, you asserted that you had concerns about the purchase price for the utility and also the purchasers' financial and technical ability to operate the utility. You also raised issues with the application itself. At this time, the Florida Public Service Commission (Commission) is thoroughly reviewing the joint application for transfer pursuant to Section 367.071, Florida Statutes, and Rule 25-30.037, Florida Administrative Code and investigating the concerns raised in your letters. At this time, you have several options with regard to your level of participation in this matter.

Before acting on your letter, the Commission must know your intent regarding your objection to the above referenced transfer in this docket. If you choose to pursue this objection to a formal administrative hearing, you will become a party to this proceeding and will assume certain rights and responsibilities. You will be expected to put on your case, including filing written testimony, participating in motion practice and formal discovery, filing a prehearing statement, attending a prehearing to be held in Tallahassee, Florida, putting on witnesses and cross-examining utility and other witnesses at the hearing, and filing a post-hearing brief. All of these activities will have deadlines to which all formal parties to this proceeding will be required to abide. Although utility customers may represent themselves at formal hearings before the Florida Public Service Commission, some customers find it preferable to hire an attorney or a qualified representative to represent them.

Alternatively, if you do not wish to pursue a formal hearing, your letter will be placed in the correspondence side of the docket file in this case, where the concerns raised in your letter will remain available for review by Commissioners, staff, and members of the public. Upon request, we can send you a copy of staff's recommendation. You can also request an opportunity to address the Commissioners at the Agenda Conference and convey your concerns about the transfer to the Commissioners.

In closing, if you wish to continue and pursue your objection to a formal administrative hearing in the above referenced docket, please submit a petition initiating formal proceedings in accordance with the requirements of Rule 28-106.201, Florida Administrative Code, by **August 7, 2009**. Your petition should be made in writing and should be addressed to the Florida Public Service Commission, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, and reference this docket.
