RE: Docket No. 090226-TP – Notice of adoption of existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. d/b/a AT&T Florida d/b/a AT&T Southeast and Comcast Phone of Florida, LLC d/b/a Comcast Digital Phone by Neutral Tandem-Florida, LLC.

By letter received April 22, 2009, BellSouth Telecommunications, Inc. d/b/a AT&T Florida d/b/a AT&T Southeast filed a notice of adoption of the existing interconnection, unbundling, resale, and collocation agreement between BellSouth and Comcast Phone of Florida, LLC d/b/a Comcast Digital Phone which was deemed approved by the Commission in Docket No. 060333-TP. Neutral Tandem-Florida, LLC is adopting the interconnection, unbundling, resale, and collocation agreement deemed approved by the Commission pursuant to Section 252(i) of the Telecommunications Act of 1996.

Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(i) requires that a local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved by the state commission to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement in its entirety. Any exception to said obligation is governed by 47 C.F.R. § 51.809(b) and may be filed when such exception exists.

Staff reviewed the agreement in this Docket on July 8, 2009. The filing met the criteria outlined in Section 2.07.C.5.b of the Administrative Procedures Manual in that it complies with Section 252(i) of the Act. This adoption is thereby deemed acknowledged as effective. Accordingly, with this Memorandum, the docket is hereby closed.
