**RE:** Recommendation to Office of the General Counsel - Docket No. 090353-TL -- Petition for expedited review of NXX-X code denial by Number Pooling Administrator for the Bonita Springs switch within the Bonita Springs exchange by Embarq.

On June 30, 2009, Embarq Florida, Inc., (Embarq) filed a request for additional numbering resources from the Number Pooling Administrator (NeuStar) for the Bonita Springs exchange, Bonita Springs (BNSPFLXADS1) switch. Embarq requested one (1) number block of 1,000 numbers to meet the request of a specific customer for 100 new consecutive DID numbers, in thousand blocks that begin with 6XXX or 7XXX, due to customer equipment. On June 30, 2009, Embarq's request for additional numbering resources was denied because it did not meet the months-to-exhaust and utilization criteria.

On July 1, 2009, Embarq filed a petition requesting that the Commission overturn NeuStar's decision. In accordance with Commission Order No. PSC-02-0352-PAA-TL, (Docket No. 020087-TL) which approved an expedited process for the NeuStar code denials, staff has examined the Embarq petition and has determined the following:

- 1) The carrier has demonstrated that it has a customer in need of numbering resources;
- 2) The carrier has shown that it is unable to provide services to this potential customer because of NeuStar's denial of the numbering resources; and
- 3) The customer will not be able to obtain service from the provider of his/her choice because the carrier does not have the numbers available.

Since the three criteria of PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (July 21, 2009), as outlined in the expedited code denial process order. NeuStar should be directed to provide Embarq the needed numbering resources to meet its customer's needs in the Bonita Springs exchange, Bonita Springs (BNSPFLXADS1) switch. Please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Catherine Beard at (850) 413-7080.
