Notice to Pip's Place

On April 21, 2009, the utility filed an Application with the Florida Public Service Commission (FPSC) for approval of a new class of service to provide service to a commercial customer. On June 15, 2009, Order No. PSC-09-0420-TRF-SU was issued by the FPSC approving the request for North Peninsula Utilities Corp. to charge Pip's Place \$421.28 per month for wastewater service. That order has now become final and effective.

The new commercial wastewater rate approved by the FPSC has no impact on the rates charged for residential wastewater customers of North Peninsula Utilities Corp. and affects only one commercial wastewater customer.

If you have any questions in this regard, please contact the Utility at (386) 677-7847.

Sincerely,

North Peninsula Utilities Corp.
