Dear Ms. Cole:

This letter serves as informal notice to the FPSC that on July 14, 2009, Smart City Solutions, LLC, a CLEC, provided written notice to the homeowners and residents of Anthem Park, a development located in St. Cloud, Florida, of its termination of telephone service to the Anthem Park Homeowner's Association effective July 31, 2009, due to several months of nonpayment by the HOA to Smart City for services rendered to the development.

Smart City provided this advance written notification to the residents and homeowners so that they could make other arrangements for the provision of telephone service with alternative providers prior to the date of service disconnection. The Smart City notice is in addition to the corresponding notice provided by the Anthem Park HOA to the homeowners and residents of this development.

Should you have any questions, please contact me at (407) 828-6650.

Sincerely,

John T. Cascio
Chief Operating Officer
