In re: Petition for Approval of Energy)

Docket No.: 090122-EG
Filed: July 27, 2009

**ASSOCIATED GAS DISTRIBUTORS OF FLORIDA
WITHDRAWAL OF PORTION OF PETITION**

COMES NOW, Associated Gas Distributors of Florida ("AGDF") through its undersigned counsel and withdraws a portion of its Petition for Approval of Modifications to Approved Energy Conservation Programs. As basis AGDF would state:

1. On March 12, 2009, AGDF filed a petition on behalf of its member Local Distribution Companies ("LDCs") to approve adoption/modification of energy conservation programs offered or to be offered by each LDC.
2. One of the programs proposed for adoption was the Propane Distribution System Conversion Program. Although AGDF believes there to be merit to this program, the petitioner would request withdrawal at this time, without prejudice, of further consideration of the Conversion Program as contained in the March 12 Petition.
3. The withdrawal of the Conversion Program does not affect any other portion of the petition nor does it modify in any manner any conversion program which may currently be part of an LDC conservation program. AGDF requests that the Commission favorably consider other programs included in the March 12 petition and approve them.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Norman H. Horton, Jr.", with a long, sweeping flourish extending to the right.
