Docket No. 080206-EU, Petition for approval to amend territorial agreement regarding extension of time to finalize Phase II of customer transfers, by Progress Energy Florida, Inc. and Withlacoochee River Electric Cooperative.

By Order No. PSC-08-0502-PAA-EU, issued August 8, 2008¹, the Commission amended the territorial agreement regarding the extension of time to finalize Phase II of customer transfers in Docket No. 040133-EU. This new order requires Progress Energy Florida, Inc. to submit status of the transfers every three months, with a final report to be filed when the transfers are complete. No additional status reports need to be filed in Docket No. 040133-EU, since Docket No. 080206-EU amended the agreement and requires status reports.
