Celebrating the bounty of our land and the talent of our people.

Lake Placid, and surrounding Highlands County is blessed with natural beauty, rich soil and energetic and creatively talented people. We are expanding the traditional Caladium Festival to include other interesting and significant aspects of our economy, heritage and culture. We hope you enjoy your visit to Lake Placid, Caladium Capital of the World and Town of Murals.

Citrus ... Second only to Polk County to the north, Highlands County produces more citrus than any other Florida county. Occupying over 79,000 acres producing many varieties of grapefruit, oranges and tangerines, the citrus industry has played both an economic and historical role in the development of the area. Visit the Highlands County Citrus Grower's Association booth to learn more.

Ornamental Foliage Plants...One of Central Florida's fastest growing industries are the many foliage nurseries that provide seedlings and potted plants to your local home and garden center. Xeriscaping, the use of plantings that have low watering requirements, has earned its place in the landscaping industry and has proven to conserve water resources. Visit the Florida Nursery, Growers and Landscapers Association booth, sponsored by the Highlands-Heartland Chapter, to learn more and purchase just the right plants for your yard.

Wine & Grapes...Both hobbyists and professionals are boosting the popularity of the wine industry in the area. Henscratch Farms will host a booth featuring their products for sale such as wine, jams and preserves, honey, dried fruits, and an array of winery giftware.

For general information call the Greater Lake Placid Chamber of Commerce, 863-465-4331, or visit our website: www.visitlakeplacidflorida.com for accomodations and further information.

Anyone interested in renting an arts or crafts booth, or in entering an art display may contact Margie at 863-441-0585.

Floral Arrangement Competition information is available by calling Luisa Andrea at 863-465-6106.

Attention Artists: There is a Caladium T-Shirt and Poster Contest for the year 2010. You may enter the competition to select caladium paintings for next year. Call 863-699-5940. Competition is open to the public.
