Re: Delinquent Regulatory Assessment Fees for ESAD Enterprises Inc., d/b/a Beaches Sewer System

Dear Mr. Graney:

According to our records, ESAD Enterprises, Inc., d/b/a Beaches Sewer System (ESAD) has not paid regulatory assessment fees (RAFs), as required by Rule 25-30.120, Florida Administrative Code (F.A.C.), for the years 2006 and 2007. Pursuant to Rule 25-30.120(2), F.A.C., regulatory assessment fees must be paid by March 31 of each year. Administrative penalties, plus interest, may be imposed as provided for under Rule 25-30.120(7), F.A.C.

Staff's calculation of the appropriate RAFs, plus the appropriate penalty and interest through August 30, 2009, is set out below.

<u>Year</u>	<u>Regulatory Assessment Fees</u>	<u>Penalty</u>	<u>Interest</u>	<u>Total</u>
2006	\$5,598.00	\$1,399.50	\$1,679.40	\$8,676.90
2007	\$5,529.74	\$1,382.44	\$ 995.35	\$7,907.53

Pursuant to Rule 25-30.120(7)(a)(2), F.A.C., ESAD continues to be responsible for paying interest of one percent every thirty days on the unpaid balance of the regulatory assessment fees. The amounts shown above have been calculated as of August 30, 2009.

The interest amounts change after August 30, 2009, and increase over time, and any delay in payment past August 30, 2009, will subject ESAD to additional interest. In addition, if payment in the above listed amounts is not received by the stated due dates, the Commission may initiate show cause proceedings. If show cause proceedings are initiated, and the utility is found to be in violation of Commission rules, pursuant to Section 367.161, Florida Statutes, the Commission is authorized to impose fines of up to \$5,000 for each day the violation continues.
