**Re: Docket No. 090253-WS - In re: Application for increase in water/wastewater rates in Pasco County by Lindrick Service Corporation.**

Dear Mr. May:

We have received your letter dated July 30, 2009, requesting an extension of time to file Lindrick Service Corporation's minimum filing requirements (MFRs). Your request for a new filing deadline of December 31, 2009 is hereby denied because of concerns that your approved December 31, 2008 test year may no longer be a representative test period. Pursuant to your earlier discussion with Bart Fletcher regarding these concerns, a 30-day extension through September 30, 2009 is hereby approved.

If your filing is accepted as complete, your petition will be deemed filed on the date the Office of Commission Clerk receives your MFRs. To minimize any regulatory lag that may occur, we request that you file the above no later than September 30, 2009.

Sincerely,

A handwritten signature in cursive script that reads "Tim Devlin".
