Re: Docket No. 090083-GU
Sun City Center Community Association, Inc.

Dear Ms. Cole:

I received a letter from Mr. Ralph Jaeger dated August 3, 2009 requesting copies of the contract between my company and my client in regards to the filing of the complaint referenced above. I called and advised Mr. Jaeger that the contract between me and my client is confidential information and has no bearing or relevance with respect to the filed complaint. Mr. Jaeger stated that the data request was made on behalf of another Commission party to assist in evaluating me as a qualified representative. However, I pointed out to Mr. Jaeger that I had already been authorized as a qualified representative as provided in Order No. PSC-09-0551-FOF-GU dated August 6, 2009. I also noted that a representation letter from my client authorizing me to represent them with respect to all matters concerning this case before the PSC had already been filed and should be in the case file.

Therefore, I am respectfully filing an objection to this Staff Data Request because the information requested is confidential and proprietary in nature and has no bearing or relevance to the filed complaint.

Respectfully yours,

Brian G. Davidson
