Brenda and Toni, on July 27, 2009, CLK received the Quarterly Inventory of Confidential Document from RCP. On the cover memo, DN 03630-09 was presented as one of the document to be returned to the source. However, on page 100 of the report, the document was checked to be retained. Please provide clarification on whether the document is to be retained or returned to the source.

Thank you for your help in this matter.
