Good Morning Toni,

1. Shane Brown and Kim Sheehy are no longer officers of Cincinnati Bell Any Distance Inc. Please let me know if I should update this information somehow, in addition to responding to your second question in this email.

2. I have updated CBAD's Florida application to include the names of the CBAD officers. Gary Wojtasek is a new officer whose resume I did not include with the initial application therefore I have attached it to this email along with the revised application page.

CBTS is a managed data services company that provides services such as data warehousing, IT outsourcing, voicemail systems and disaster recovery solutions. The company does not sell telecommunication services. If you have further questions regarding Cincinnati Bell Technology Solutions you can call Scott Ringo at 513 397-1354.

Subject
Florida CLEC application filing for
Cincinnati Bell Any Distance Inc. Docket No.
090406-TX

Hi Kathy,

I will be working on the FL CLEC application and I have found some spots in the application that need more information.

1) I need resumes from Shane Brown and Kimberly Sheehy since both are listed Officers of the Company.

2) Question 17(c) which mentions Officers involved with any FL registered or certificated company. The active IXC TI140 for Cincinnati Bell Any Distance Inc and its Officers names should be listed here. You can email a revised application page to my attention for replacement and attached brief resumes for Brown and Sheehy.

I also noticed the FL Secretary of State had a company with common officers that was currently active but not registered or certificated with the FL Commission--- Cincinnati Bell Technology Solutions Inc. I was just curious what type services this company provides and if it needs to be registered or certificated.
