It has come to my attention that you are planning to deregulate prison calls. Do you know what this would do to families of those incarcerated? It is a struggle the way it is. The charges for calls would skyrocket. Most families can't afford calls now. Please I am asking you to reconsider. This is the only way children can communicate with a parent, or a mother or father with a child. Please reconsider, it is hard enough in these economic times to make don't put more of a burden on everyone.

Comments:

I am writing concerning the deregulation of pay telephone. I have a nephew in prison. If you deregulate this the phone bills will skyrocket. It is hard enough now paying for these calls. If there is a rate increase it will be impossible. They are necessary to insure the inmates safety and to give the the families of the inmates pease of mind.Please DON'T DO THIS.

Thank you

SB2626 - as I understand will deregulate collect calls from prison. Families of inmates are concerned that this will increase the cost of collect calls to us. We have worked hard and long to decrease the cost and don't want go back to the drawingboard.
