Good morning Pat, I will make the correction to the Utility's name in MCD and bring it into the utility field in CMS. Marguerite will update the titles in the dockets. Thanks, N

Sadly, I have to report a correction to the correction in the attached document. The docket title should be as stated in the first paragraph of my memo. In rephrasing the docket title below the first paragraph, I forgot to delete the word "utility." Thankfully, Nonnye Grant caught the contradiction. Therefore, to be completely clear, the utility name is:

Camachee Cove Yacht Harbor, Inc.

This name should be corrected in the docket title for both 090185-WU (grandfather app.) and 090230-WU (SARC). If you need another memo, let me know.

Thanks,
 Pat B.
