Re: Clective Telecom Florida, LLC Filing Dated August 26, 2009

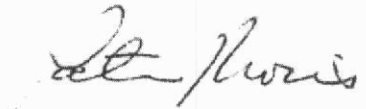

Dear Ms. Cole:

Clective Telecom Florida, LLC hereby files this response to AT&T Florida's Objection to Clective's request for Confidential Treatment of the filing by Clective on August 28, 2009.

It is completely laughable and ludicrous that AT&T would attempt to assert that Clective's cost model and business plan would be anything short of proprietary and confidential.

Further, by AT&T believing that it has any interest in reviewing the Clective filing should only reinforce to the Commission that AT&T believes that the Commission is incapable of regulating within its jurisdiction. The Commission has already scolded AT&T once for trying to take on the Commission's role.

Sincerely,

Patricia Morris
