COMMISSION CLERK

Gainesville Regional Utilities (GRU) is hereby submitting one replacement sheet to replace Sheet 6.5 in the submission of proposed tariff sheets mailed to your office on August 28, 2009. A minor change has been made to the fifth decimal place of the unbundled rates in the first tier of Residential Non-Time Differentiated rates to eliminate rounding differentials in the billing system. This change will maintain consistency between the Gainesville Code of City Ordinances and the Tariff Sheets filed with the Public Service Commission. GRU is submitting one copy of the proposed tariff revision in legislative format and three (3) copies of the proposed tariff sheet in final form.
