Ann,

We have 2 documents for parties correspondence in Docket 090430. This docket is not consolidated with anything else. The documents are DN 09161-09 and 11185-09. May we please move everything from the PDF file in CMS from DN 11185-09 to DN 09161-09, and make sure the hard copy is in the correct location in the docket files. I will then modify the document description to indicate that DN 11185-09 was used in error.

Thank you for your help.

LOCATION: Betty Easley Conference Center, Joseph P. Cresse Hearing Room 148

DATE ISSUED: November 3, 2009

NOTICE

Persons affected by Commission action on certain items on this agenda may be allowed to address the Commission, either informally or by oral argument, when those items are taken up for discussion at this conference. These items are designated by double asterisks (***) next to the agenda item number.

To participate informally, affected persons need only appear at the agenda conference and request the opportunity to address the Commission on an item listed on agenda. Informal participation is not permitted: (1) on dispositive motions and motions for reconsideration; (2) when a recommended order is taken up by the Commission; (3) in a rulemaking proceeding after the record has been closed; or (4) when the Commission considers a post-hearing recommendation on the merits of a case after the close of the record. The Commission allows informal participation at its discretion in certain types of cases (such as declaratory statements and interim rate orders) in which an order is issued based on a given set of facts without hearing.

See Rule 25-22.0021, F.A.C., concerning Agenda Conference participation and Rule 25-22.0022, F.A.C., concerning oral argument.

CASE

7**PAA

Docket No. 090430-TP – Amended petition for verified emergency injunctive relief and request to restrict or prohibit AT&T from implementing its CLEC OSS-related releases, by Saturn Telecommunication Services, Inc.

Critical Date(s): OSS Release - November 14, 2009

Commissioners Assigned: All Commissioners

Prehearing Officer: Argenziano

Staff: RCP: Harvey, Hallenstein

GCL: Brooks

(Issue 1 - Oral Argument Not Requested; Issue 2 - Proposed Agency Action)

Issue 1: Should the Commission grant AT&T's Partial Motion to Dismiss?

Recommendation: Yes, in part. Staff believes that STS' request supported by s. 364.15, F.S. and request for costs should be dismissed. Staff believes that STS has incorrectly relied on s. 364.15, F.S. to support its request that the Commission stay AT&T's November OSS Release. Additionally, staff does not believe the Commission has subject matter jurisdiction to award costs as requested by STS.

However, staff believes that the Commission, in its continuing oversight role of AT&T's operations support systems (OSS) and its exclusive authority to prevent anticompetitive behavior amongst telecommunication providers, may at its discretion, require AT&T to stay its November 10, 2009 release in the form requested by STS.

Issue 2: Should the Commission grant STS' request to restrict or prohibit AT&T from implementing its OSS Release scheduled for implementation in Florida on November 14, 2009?

Recommendation: No. The Commission should not restrict or prohibit AT&T from implementing its OSS release scheduled for November 14, 2009, under the condition that staff is allowed to conduct a post implementation review. Additionally, AT&T should be required to run the existing OSS ordering interface (LENS) in parallel until completion of staff's review and any Commission decision on this matter.

Issue 3: Should this docket be closed?

Recommendation: No. If the Commission approves staff's recommendation in Issue 1 the resulting decision will be issued as a Final Agency Action.

If the Commission approves staff's recommendation in Issue 2, the resulting decision will be issued as a Proposed Agency Action. The decision will become final upon issuance of a Consummating Order, if no person whose substantial interests are affected timely files a protest within 21 days of the issuance of the Order. Additionally, the remaining requests in STS' amended petition should be put in abeyance until staff brings a recommendation back to the Commission after completion of the review.
