Re: Docket No. 090009 – Revised Exhibit No. 103

Dear Ms. Cole:

On September 18, 2009, White Springs Agricultural Chemicals Inc. d/b/a PCS Phosphate –White Springs (“White Springs”) electronically filed its Post-Hearing Brief and Statement of Issues and Positions in the above-referenced docket. In that electronic filing, White Springs inadvertently failed to include the revised Exhibit No. 103 which was referenced in the Post-Hearing Brief. A copy of this revised exhibit was included with the service copies of White Springs’ Post-Hearing Brief that were mailed to the parties on September 18, 2009, and the exhibit was also emailed to parties on that same date.

In order to correct the absence of this exhibit from its electronic filing and to clarify the record, attached is a copy of the revised Exhibit No. 103 for inclusion with the Post-Hearing Brief.

Please let me know if you have any questions regarding this issue.
