FPSC-COMMISSION CLERK

Docket No. 090227-SU
Date: September 24, 2009

The utility's wastewater system was originally issued Certificate No. 361-S in 1984.¹ The utility has had six amendments since it received its certificate.²

On April 22, 2009, the City of Sebring (City) filed an application for transfer of all of the HUC wastewater systems, except for the Lake Placid system. The transfer includes all HUC customers except for about 396 remaining Lake Placid customers. It is anticipated that the remaining service area will be sold by the end of 2009.

The purpose of this recommendation is to address whether the partial transfer of HUC's wastewater territory to the City should be acknowledged as a matter of right and to amend Certificate No. 361-S. The Commission has jurisdiction pursuant to Section 367.071, Florida Statutes (F.S.).

¹ Order No. 13507, issued July 11, 1984, in Docket No. 830009-S, In re: Application of Highlands Utilities Corporation for a certificate to operate a sewer system in Highlands County, pursuant to Section 367.171, Florida Statutes.

² Order No. 14092, issued February 15, 1985, in Docket No. 830466-SU, In re: Application of Highlands Utilities Corporation for amendment of Certificate No. 361-S to include additional territory in Highlands County, Florida.; Order No. 15908, issued March 28, 1986, in Docket No. 860171-SU, In re: Application of Highlands Utilities Corporation for amendment of Certificate No. 361-S to include additional territory in Highlands County, Florida.; Order No. 22556, issued February 15, 1990, in Docket No. 890800-SU, In re: Application of Highlands Utilities Corporation for amendment of Certificate No. 361-S to include additional territory and cancellation of Pugh Septic Tank Services, Inc.'s Certificate No. 346-S in Highlands Co.; Order No. PSC-92-1185-AS-SU, issued October 19, 1992, in Docket No. 920093-SU, In re: Application for amendment of Certificate No. 349-S to include additional territory in Highland County by Harder Hall-Howard, Inc. and in Docket No. 920069-SU, In re: Complaint against Harder Hall-Howard, Inc. for alleged infringement upon certificated area in Highlands County served by Highlands Utilities Corporation.; Order No. PSC-02-0250-PAA-WS, issued February 26, 2002, in Docket No. 990374-WS, In re: Application for certificates to operate a water and wastewater facility in Highlands County by the Woodlands of Lake Placid, L.P., and for deletion of portion of wastewater territory in Certificate No. 361-S held by Highlands Utilities Corporation.; and, Order No. PSC-02-1732-FOF-SU, issued December 9, 2002, in Docket No. 001660-SU, In re: Application for amendment of Certificate No. 361-S to extend and to delete wastewater service area in Highlands County by Highlands Utilities Corporation.

Discussion of Issues

Issue 1: Should the transfer of a portion of Highlands Utilities Corporation wastewater territory to the City of Sebring be acknowledged as a matter of right and should Certificate No. 361-S be amended to reflect the deletion of territory?

Recommendation: Yes. The transfer of a portion of HUC's wastewater territory to the City of Sebring should be acknowledged as a matter of right pursuant to Section 367.071(4)(a), F.S., and Certificate No. 361-S should be amended to reflect the territory deletion effective November 20, 2008, which was the closing date of the sale. A description of the territory remaining after the partial transfer is appended to this recommendation as Attachment A. The resultant order should serve as HUC's wastewater certificate and should be retained by HUC. (Clapp, Kaproth, Brown)

Staff Analysis: As stated in the case background, the City applied for a partial transfer of the HUC facilities and amendment of Certificate No. 361-S on April 22, 2009, pursuant to Section 367.071, F.S., and Rule 25-30.037(4), Florida Administrative Code (F.A.C.) The closing on the sale of the utility facilities took place on November 20, 2008. Included with the application are copies of the closing statements between the two parties. Therefore, November 20, 2008, is the effective date of the sale.

Pursuant to Section 367.071(4)(a), F.S., the sale of facilities to a governmental authority shall be approved as a matter of right. As such, no notice of the transfer is required and no filing fees apply. The application had deficiencies which were corrected as of August 26, 2009. The application is in compliance with Section 367.071(4)(a), F.S., and Rule 25-30.037(4), F.A.C.

The application contains a statement that the City obtained HUC's most recent income and expense statement, balance sheet, statement of rate base for regulatory purposes, and contributions-in-aid-of-construction pursuant to Rule 25-30.037(4)(e), F.A.C. A statement was provided indicating that HUC collected no customer deposits. Additionally, pursuant to the requirements of Rule 25-30.037(4)(h), F.A.C., a statement was included that HUC has paid all outstanding regulatory assessment fees (RAFs). The utility has filed all RAFs and annual reports through 2008. A description of the territory remaining after the partial transfer is appended to this recommendation as Attachment A.

Staff recommends that the transfer of a portion of HUC's wastewater territory to the City should be acknowledged as a matter of right pursuant to Section 367.071(4)(a), F.S., and Certificate No. 361-S should be amended to reflect the territory deletion effective November 20, 2008, which was the closing date of the sale. A description of the territory remaining after the partial transfer is appended to this recommendation as Attachment A. The resultant order should serve as HUC's wastewater certificate and should be retained by HUC.
